## NOTICE OF PROPOSED RULEMAKING

Adopted: October 2, 2002

Released: October 18, 2002

Comment Date: December 9, 2002

Reply Comment Date: December 24, 2002

By the Assistant Chief, Audio Division:

1. The Audio Division has before it for consideration a multiple docket *Notice of Proposed Rule Making* setting forth two separate proposals to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. The petitioner for each proposal has stated that it will apply for each requested channel, if allotted. Each proposal warrants consideration because it complies with our technical requirements and would serve the public interest.

2. This is a multiple docket *Notice of Proposed Rule Making* issued in response to a Commission *Public Notice* released October 2, 1998 (DA 98-1987). We are combining separate FM allotment proposals into a single *Notice of Proposed Rule Making*. Each proposal has its own docket and rule making number and the Commission's Reference Information Center will maintain a separate file for each docket. As discussed in the *Public Notice*, this procedure will conserve Commission resources and expedite the processing of FM allotment petitions for rule making by avoiding duplicative actions. We request comments and/or counterproposals to the following proposals:
